

From Today's Readings:
The Most Holy Trinity

The Spirit bears witness with our spirit that we are children of God, ... heirs of God and joint heirs with Christ.
Today we do not celebrate a doctrine, but the heart of our faith: in Christ we have a special relationship with God, we are children of God and so "joint heirs with Christ." We don't have to fear and impersonal and distant God, because God is our "Abba," the parent who has come to our rescue and adopted us.
How do I experience the dignity I have as a child of God?
What frequent behavior of mine diminishes me as a child of God?

Diocese of Saginaw Migrant Pantries Opening in May:

The new year is upon us and continues to unfold. We are called to be a people of the Resurrection where every day is Easter morning! Let us continue to imitate Jesus in His love and care for God's people, especially the poor, the vulnerable, the marginalized, and the strangers among us. Donations to our migrant pantries benefit those farmworkers already here, and those who will soon be arriving in Michigan. These workers are a big part of all those that do the essential work needed to help feed our nation. The Diocese of Saginaw's Migrant Ministry programs are not possible without help from people like you. We have two active Migrant food pantry locations: All Saints Parish, St. Boniface Church, Bay City, and Our Lady Consolata Parish, St. Agatha Church, Gagetown. You may drop off the listed food and clothing items beginning the first week of May. Please call the pantry ahead of time for drop off times. If you, or someone you know, is interested in participating in Migrant Ministry, please contact Maria Coss in the Office of Multicultural Ministry at 989-797-6646 or Deacon Librado Gayton at 989-797-6604. May the Lord reward you for your kindness and generosity.
